JOHN D. ROCKEFELLER, IV
GOVERNOR

November 14, 1983

The Honorable John D. Rockefeller, IV
Governor, State of West Virginia
State Capitol
Charleston, West Virginia 25305

Dear Governor Rockefeller:

I am pleased to present the 1982 Annual Report of the Insurance Department as required by Section 33-2-15 of the West Virginia Code 1931 as amended.

The State of West Virginia continues as a solid insurance market without the many problems that seem to face our sister states. Rate levels remain adequate but not excessive as competition exerts itself for the benefit of consumers.

There are 940 insurance companies doing business in West Virginia of which 27 are domiciled in this state. Total premiums written amount to nearly $1.4 Billion. Total premium taxes and fees collected and paid into special and general revenue funds amounted to $41.0 Million.

Servicing all this business for West Virginians were 10,460 licensed agents and brokers and countless others that are employed by this industry throughout the state.

In 1982, our Consumer Services Division responded to 3,341 written inquiries and complaints, held 818 walk-in personal conferences, and responded to 14,119 telephone inquiries,

Consumer Service Representatives visited twenty-eight (28) locations throughout the state to discuss health insurance coverages, medicare supplements and other insurance problems with 1,509 senior citizens in 1982.

"We are an Equal Opportunity Employer"

Our Rates and Forms Division acted on 8,575 property and liability rate and form submissions and 7,141 life and health policy form or rate filings for a total of 15,716 rate and form filings.

The Insurance Department continues to search for more effective and economical ways to accomplish its objectives and fulfill its responsibilities; however, with insurance activities expanding and becoming more complex everyday, it is incumbent upon us to view these activities as challenges and respond accordingly.

Sincerely,

Richard G Shaw

Richard G. Shaw
Insurance Commissioner

LEGAL DIVISION

The Legal Division of the Insurance Department performs several basic functions including, representation of the Department in administrative and court proceedings, providing legal advice to the Insurance Commissioner and Department staff members and assistance in promulgation of administrative regulations and enactment of statutes. Representation is provided by in-house counsel in cooperation with the Office of the Attorney General.

The activities of the Legal Division during calendar year 1982 were as follows:

ADMINISTRATIVE PROCEEDINGS

Eighteen administrative proceedings were pending on January 1, 1982, four of which were initiated during 1980 and fourteen of which were initiated during 1981. Twenty-three proceedings were initiated and eighteen proceedings resolved during 1982. Twenty-three proceedings were pending as of December 31, 1982, two of which were initiated during 1980, six of which were initiated during 1981 and fifteen of which were initiated during 1982.

Proceedings Initiated During 1982

The twenty-three proceedings instituted during 1982 may be classified as follows:

Four of the proceedings involved alleged wrongdoings by insurance agents, including misappropriations of fund, selling unnecessary and duplicitive coverages, replacing existing insurance to the detriment of the consumer, placing business with an insurance company for which the agent was not appointed, and failure to respond to inquiries by the Insurance Department.

Three proceedings challenged as unfair the claims settlement practices of a domestic insurer.

Seven proceedings sought to revoke, suspend or non-renewal the license of various insurers on the ground that such companies were financially unsound to transact business in West Virginia.

Three proceedings involved the acquisition or control of insurance companies including acquisition of a domestic company, control of a domestic insurer within the meaning of the Insurance Holding Company Systems Act, and merger of a foreign insurer into a domestic company.

Two miscellaneous proceedings sought disciplinary action against insurers based upon allegations of untimely payment of premium taxes and acceptance of business from a non-appointed agent.

Consumer requests resulted in two proceedings which challenged health insurance premium rate increases.

One proceeding involved a public hearing for the purpose of promulgating an administrative regulation concerning excess line brokers.

Proceedings Resolved During 1982

The eighteen administrative proceedings resolved during 1982 may be classified as follows:

Four proceedings resulted in disciplinary actions against insurance agents, including: surrender of license; suspension of license for thirty (30) days and a one hundred dollar ($100.00) fine; revocation of license, a one thousand six hundred dollar ($1,600.00) fine and costs of the administrative proceeding; and revocation of license and costs of the administrative proceeding. The offenses which resulted in such disciplinary actions involved misappropriation of funds, selling unnecessary and duplicative coverages, replacing existing insurance to the detriment of the consumer and failure to respond to inquiries by the Insurance Department.

One proceeding resulted in a fine of an excess lines broker in the amount of fifty dollars ($50.00) for failure to timely file tax returns and pay taxes due.

Three proceedings resulted in the revocation of the licenses of a health maintenance organization, a domestic property and casualty insurance company and a foreign life insurance company on the ground that such insurers were financially unsound to transact business in West Virginia.

Three proceedings involved acquisition or control of an insurance company, including approval of the acquisition of a domestic insurer, approval of the merger of a foreign insurer into a domestic insurer and granting of an exemption from the controlling person requirements of the Insurance Holding Company Systems Act.

Three proceedings involved public hearings for the purpose of promulgating administrative regulations concerning insurance company examiners, compulsory automobile liability insurance and excess line brokers.

Four proceedings were dismissed upon request of the complaintant.

ADMINISTRATIVE REGULATIONS

One administrative regulation became effective during 1982. Such regulation governs the compensation, qualifications and classification of persons conducting examinations of insurance companies on behalf of the Insurance Commissioner.

Additionally, public hearings were held in regard to proposed regulations concerning excess line brokers and compulsory automobile liability insurance.

LEGISLATION

The West Virginia legislature enacted the following legislation during the 1982 legislature session which affects, or has the potential to affect, the insurance consumers and insurance industry of West Virginia.

S.B. 61 - Broker-Dealers, Agents and Investment Advisers Registration Fees Increased - This act increases the annual fees charged by the State Auditor acting as Securities Commissioner for the registration and renewal of securities broker-dealers, agents and investment advisers. The following annual fees are increased: Broker-dealer fees from $100 to $150; agent fees from $15 to $30; investment adviser fees from $15 to $100; and successor to a broker-dealer or investment adviser fees for the unexpired portion of a year from $5 to $20.

S.B. 251 - Bail Bonds - This bill excludes the guaranteeing and executing of bonds by professional bondsmen in criminal cases or by individuals not in the business of becoming a surety for compensation upon bonds from the definition of surety insurance.

S.B. 288 - Compulsory Automobile Liability Insurance - This bill revises the 1981 statute mandating automobile liability insurance by allowing a motor vehicle registrant to certify that such insurance exists. Seasonal vehicles may be insured only during the period of usage. Random verification of at least one percent of registrant statements must be performed by the Department of Motor Vehicles, with response from insurers within thirty calendar days. Insurers must supply a certificate of insurance to their insureds, who must carry the certificate or other proof of insurance in the vehicle. Insurers must notify the Department of Motor Vehicles within five days of any cancellation or termination of a policy unless the insured has stated in writing to the insurer that such cancellation or termination will not result in the operation of an uninsured motor vehicle on West Virginia highways.

H.B. 1094 - Wrongful Death Damages Distribution - This act extends to courts in wrongful death cases tried without a jury the power to award and provide for the distribution of net damages. The order of distribution of the damages whether by a court or a jury is as follows: (1) Surviving spouse and children including adopted children, stepchildren and grandchildren; (2) other persons dependent on the deceased for support; (3) parents, brothers and sisters; or (4) other persons entitled to inherit from the estate of a decedent who died intestate. A jury by its verdict, or a court by order in cases tried without a jury, may provide for the distribution of net damages in different amounts and proportions among the surviving spouse, children, adopted children, stepchildren, grandchildren, other dependents, parents, brothers and sisters of the deceased. In cases which are settled without trial, the court apportions and distributes damages in the same manner. Net damages are the total damages awarded less any award of damages for funeral, hospital, medical or other expenses resulting from the wrongful act or for the neglect or default of defendants which resulted in death. This separate award of damages is to be expended by the decedent's personal representative.

H.B. 1109 - Employee Medical Insurance - The bill prohibits an employer who has provided, in whole or in part, medical insurance coverage for an employee or his or her dependents, from cancelling or decreasing employer participation in such coverage, and from decreasing coverage while the employee is receiving temporary disability compensation. Employers may, however, change insurance carriers and may cancel or reduce such coverage for all employees on a class basis. A private cause of action by the employee against the employer is authorized.

H.B. 1403 - Specifically Itemized Hospital Charges - The bill required hospitals, upon any patient's request, to provide without charge an itemized statement specifying the exact service or medication for which a charge is assessed. Such a statement is also obtainable by a surviving relative or guardian of a deceased patient.

H.B. 1616 - Agents Licensing - The bill authorizes the Commissioner to utilize an independent testing service to prepare and administer agents licensing examinations. Costs of the examination are to be paid by the applicant.

H.B. 1625 - Public Employee Insurance Benefits Extended - This act provides that when a public employee's employment is involuntarily terminated for reasons other than misconduct, he is entitled to have his insurance coverage extended for three additional months at no cost to the employee. The act also provides that insurance coverage of an employee involuntarily terminated for misconduct may be extended for three additional months while administrative remedies to contest the termination are pursued. Should the termination of employment be upheld, the full cost of the extended coverage must be reimbursed by the employee. If a public employee is again employed or recalled to active employment within twelve months of termination, he is not considered a new enrollee for insurance purposes. The act removes the requirement that an employee must agree to pay the costs in order to have his spouse and dependents included under his insurance coverage.

H.B. 1768 - Voluntary Deferred Compensation Plans for State and Local Government Employees - This act makes the Board of Trustees of the Public Employees Retirement System, in the case of state employees, and the various policy governing bodies of political subdivisions, in the case of other public employees, responsible for implementing a deferred compensation plan as authorized by the Internal Revenue Code. This act authorizes investment of the funds, exempts deferred compensation from income taxation and provides that deferred compensation shall not affect any other employee retirement benefit. The liability of the public employer providing a deferred compensation plan is limited to the value of the particular fixed or variable annuity, insurance, endowment or savings account in which the funds were invested.

H.B. 1793 - Hospital, Medical, Dental and Health Service Corporations - The bill amends previous law to permit, under certain conditions, hospital, medical and dental service corporations to merge to form health service corporations. Financial setbacks to the service corporations need no longer be absorbed by medical care providers. Service corporations may, under certain conditions, create and hold subsidiary corporations which are related to and which promote service corporation purposes in health care insurance.

H.B. 1874 - Mine Subsidence Insurance - The bill authorizes the establishment of a fund to be managed by the office of the State Board of Risk and Insurance Management for the purpose of providing reinsurance coverage in an amount of up to $50,000 for loss to a structure due to coal mine subsidence. As of October 1, 1982, every insurance policy issued or renewed insuring a structure in the state shall include, at a premium set by the Board, separate coverage for losses due to mine subsidence, unless such coverage is waived in writing by the insured. Insurers, in consideration of a commission, must agree to adjust all losses, pay all taxes and absorb marketing and other expenses of the program. After February 15, 1983, all such claims must be settled by the insurer within 120 days after proof of loss is filed.

H.B. 1921 - Continuum of Care - The bill creates a state board to coordinate delivery of public and private services to the elderly, disabled and terminally ill. As of July 1, 1983, any insurer issuing any policy of health or accident and sickness insurance in the state shall provide at a "reasonable" rate, optional supplemental insurance coverage for continuum of care service.

H.B. 2035 - Open Hospital Board Proceedings - This act requires the proceedings of the board of directors or other governing body of each hospital owned or operated by a non-profit corporation or association or local governmental unit to be open to the public.

H.B. 2036 - Professional or Other Liability Insurance for County Boards of Education Extended and Increased - This act makes it mandatory for the State Board of Risk and Insurance Management to provide appropriate professional and other liability insurance for those groups which the Board was previously authorized to provide coverage. This act extends the coverage to county boards of education and county school superintendents and requires county boards of education to purchase, through the Board, excess coverage of at least five million dollars. Any insurance purchased under the section must now be purchased from a company licensed to do business in the state. The act further requires that county superintendents and other school personnel be defended in most lawsuits by the county board or an insurer.

WEST VIRGINIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ANNUAL MEETING

The annual meeting of the board of directors of the West Virginia Life and Health Guaranty Association was called to order at 1:50 p.m. on May 4, 1983 at the Greenbrier in White Sulphur Springs, West Virginia by Chairman John S. Boritas, after proper notice.

Board Members present were:

John S. Boritas, Chairman
Metropolitan Life Insurance Company
New York, New York

Jack L. Miller, Treasurer
Appalachian Life Insurance Company
Huntington, West Virginia

Robert N. Price, Member of the Board
Peoples Life Insurance Company
Washington, D.C.

Marcia L. DuMond, Member of the Board
Lincoln National Life Insurance Company
Fort Wayne, Indiana

Mark L. Kramp, Member of the Board
Nationwide Life Insurance Company
Columbus, Ohio

Also present were:

Commissioner Richard G. Shaw
Insurance Commissioner of West Virginia

James C. Surratt, Chief Examiner
Insurance Commissioner's Office of West Virginia

Cheryl S. Davis
Counsel to the Insurance Commissioner's Office

The board approved the minutes of its April 19, 1983 meeting in Charleston, West Virginia.

A motion to approve the acts of the board of directors in the preceding year was seconded and approved without dissent.

The election of officers and directors was deferred pending receipt of proxies. The election will be formalized in a telephone conference call.

The board reviewed its annual report to the Commissioner and adopted it. The report was transmitted to Commissioner Shaw. (Exhibit A)

The annual audit of Class A and Class C assessments was distributed to the board and to the Commissioner. (Exhibit B) The Treasurer invited interested parties to review the books of the association.

A statement of receipts and disbursements was distributed. (Exhibit C)

The Treasurer announced that the Association has not yet received the $725,000 check from the Old Security receiver. Mr. Miller announced that West Virginia claims are almost completely wound down. He also reported on the status of the Kanawha Valley Bank dispute with the receiver.

The chairman reported that a list of West Virginia multiple employer trusts (METs) related to the Iowa State Travelers (ISTMAC) insolvency contains only five METs with an average membership of nine persons each. Mr. Miller will write to each policyholder of whom it is advised, and inform them of the Guaranty Association and its role in claims payments. The chairman noted that the records of ISTMAC are still in disorder and that it is possible that we may be informed of additional METs.

The board discussed the need to get claims payments underway quickly and the desirability of handling those claims payments within West Virginia. Members of the board noted the advisability of keeping claims payments under the direct supervision of the board so that it can verify that West Virginia policyholders are indeed being fairly treated. The board decided, after proper motion and second, to proceed itself with payment of claims. The board did not accept the proposal of Administration Associates Incorporated with respect to payment of claims in return for the unearned premium. Mr. Miller and Appalachian Life will undertake the claims payment responsibility, and Ms. DuMond and Mr. Kramp will review and update the service contract with Appalachian Life. After discussion, Mr. Miller and the board agreed that the contract would provide for reimbursement to Appalachian of the cost of claims paid, the costs of administration, and a further 10 percent of claims paid as consideration to Appalachian Life for handling the claims. After proper motion and second the board adopted that arrangement.

Another motion directed that Appalachian Life be the claims processor, and that motion was adopted after second. A further motion that Appalachian Life begin the processing of claims pending the adoption of a service contract was also adopted after being seconded.

The board postponed the issue of the sale of 130 life insurance policies either to Administration Associates Incorporated or to Appalachian Life. There was further discussion of the need for Commissioner Shaw to be named ancillary reciever in West Virginia in order to pass title to such policies.

The board approved the legal bill submitted in the Hatfield McCoy Ford case.

The board also approved reimbursement of the $300 data processing expense in Old Security.

The board briefly discussed the condition of a financially weakened insurer with Commissioner Shaw.

A problem with use of the Guaranty Association by agents to aid in the sale of insurance has been noted. The chairman will write to the Commissioner to notify him formally of his occurence.

The meeting adjourned at 4:10 p.m.

Chairman Baxter called the meeting to order and upon motion made and duly carried, the reading of the minutes of the Board's and Member's meetings were waived. Commissioner Shaw advised of appreciation for the efforts of the Guaranty Association's Board during the past year, and Mr. Surratt informed the Board relative to the Insurance Department's financial analysis for stability of various and sundry insurers. Mr. Surratt advised that relative to non-domestic insurers, the Department relied heavily upon IRIS data as reported by the NAIC, and that relative to domestic insurers, various members of his staff made analysis and monitor quarterly and annually, statement data received from such domestic companies. He also advised the Board that currently there was one domestic company that concerned the Department and both he and the Commissioner elaborated on some of the matters concerning that particular company. Mr. Norton, who had briefly analyzed the company, reported as to that company's reinsurance arrangements, which information had been conveyed to the Department who was having dialogue and discussions with the insurer on a regular basis.

Chairman Baxter distributed to each director a proposed report of the Guaranty Association to its membership, as well as a 1982 year end report on audit from the accounting firm of Enst and Whinney relative to the Association's financial status. After discussion and upon motion of Dick Welsh, seconded by Mark Kramp, it was approved and determined that the proposed 1983 report to the members by the Chairman be mailed to members, and that the treasurer's report including the CPA audit report be approved. Thereupon, Administrator James Lane reported on several matters including the recommendations resulting from the CPA audit, and the recommendations of Counsel Lobert's opinion relative to two claims matters involving the Security insolvency as the possible settlement of those claims involved figures in excess of Mr. Lane's authority. After discussion, Don Waskom moved, Mark Kramp seconded a motion directing Administrator Lane to adopt and implement the various recommendations of the CPA report, and that the monetary authority requested by Mr. Lobert in connection with the two claims matters of Security be authorized. These motions being put to vote passed.

The claims authority approved was as follows:

INSURED	Claim No.	Claimant	Authority
Leander Fitzpatrick	265392-2-03	Toney Spaulding	12,989.25
		Tommy Spaulding	13,647.75
Ohley McCormick	209,327-2-02	Roger Johnson	45,000.00 less setoffs of advance pay and other insurance amounts.

Administrator Lane also reported relative to the experience of the first quarter of calendar year 1983 to the directorship and in connection with the 1982 report being sent to its members. The Board discussed generally, along with Commissioner Shaw the proposed reowording of the agreement between the West Virginia Post Assessment Guaranty Association and the Ohio Guaranty Association, with Chairman Baxter recommending a modification in that agreement, which modification had been previously discussed with Commissioner Shaw and which proposed agreement had been previously studied by the Board. The modification is identified as Section 4C, and is attached herewith, along with the planned agreement between the two associations. Upon motion of Don Waskom, seconded by Norton, the modified agreement was approved by the Board. Thereupon Chairman Baxter, moved the adoption of the attached resolution regarding such proposed modified agreement, which motion was seconded by Dick Welsh and which motion carried.

In connection with the Church Layman insolvency, the issue of assessment of policyholders of further assessment of policyholders for claims expenditures of the Association and the issue of possible unearned premium return to policyholders were discussed. The Board was informed that both the liquidator and Cabell County Court Judge had adopted what appeared to be a practical solution of the issues, i.e. a trade off between the two conflicting legal and economic issues. After discussion, Don Waskom moved, Dick Welsh seconded the following motion which carried: "In the event a Church Layman policyholder makes inquiry or demand relative to any unearned premium return, that policyholder be advised of the court's and liquidator's determination, and in the event of further individual inquiry relative to return of an item of unearned premium, the full board should be advised of same in order that a decision could be made in connection with the individual merits of the specific case."

Thereupon a proposed revised Plan of Operation which had been prepared by a committee of the board was discussed at length by all the members. Chairman Baxter appointed Dick Welsh and Mark Kramp as a new committee to review the proposed new Plan of Operation. Possible modifications in some areas were discussed by the Board on an item by item basis with the committee to report back to board members relative to its modified proposal draft and obtain sentiments for approval or disapproval from board members.

Mr. Lane reported relative to the membership vote relative to directorships, advising that the number of votes received by director company Aetna was 163 votes, Travelers receiving 162 votes, State Farm 156 votes, Municipal Mutual 154 votes, Nationwide, Inland and Ohio Farmers (Westfield) receiving 153 votes each, with there being one vote for the Quality Insurance Company. Thus, it was determined that the directorship companies serving until the next election will be: Aetna, Travelers, Inland, Municipal Mutual, Nationwide, Ohio Farmers and State Farm.

Upon motion of Mark Kramp seconded by Dick Welsh, the following officers were elected from the directorship: Jeff Baxter, Chairman, Don Waskom, Vice Chairman, Frank Norton, Secretary-Treasurer and Ed Marks as Assistant Secretary-Treasurer. Thereupon Dick Welsh moved, which motion was seconded by Mark Kramp, that the membership ratify and approve the actions of the board and its officers during the past year. The motion was passed by unanimous vote.

The meeting was duly adjourned.

A total of 3,391 filings were disapproved in 1982, with 1,883 life, accident & sickness disapprovals and 1,508 property-casualty disapprovals. These filings were not in compliance with the West Virginia laws and regulations.

MAJOR FILINGS:

(A) Personal Automobile Insurance Rates: Nearly all automobile insurers continued to file rate increases in 1982. While many increases were granted, the Insurance Commissioner often granted amounts which were much less than requested because filers failed to adequately document their requests.

Changes in components of the Consumer Price Index (CPI) demonstrate the changes in cost of items for which insurance pays; a comparison of the CPI for December 1982 with December 1981 shows the following increases:

Auto maintenance and Repair	+ 6.2%
Medical Costs	+11.0%

State Farm Insurance Companies' Crash Parts Index rose +3.0% between January 1, 1982 and January 1, 1983.

The following major personal auto rate approvals were granted:

CNA	+ 5.1%
Horace Mann Insurance Company	+22.8%
J. C. Penney Insurance Company	+ 6.9%
Motorists Mutual Insurance Company	+15.0%
Preferred Risk Mutual Ins. Company	+47.6%
Progressive Casualty Company	+14.62%
Prudential Property & Casualty	+ 5.3%

(B) Homeowners Insurance Rates: Continued deterioration in fire insurance experience prompted further rate increase requests in this areas.

Homeowners insurance rate increases were in part based on the increasing costs of housing and building materials, as evidenced by changes in the related CPI changes occurring between December 1981 and December 1982:

Housing Costs	+3.6%
Housing Maintenance & Repair Costs	+4.2%
Household Furnishings	+3.2%
Lumber and Wood	-0.1%

The following major homeowner rate approvals were granted:

Allstate Insurance Company	+17.1%
Allstate Indemnity Company	+13.8%
Nationwide Mutual Fire Insurance Company	+ 6.9%
Stonewall Casualty Company	+ 9.9%
United States Fidelity & Guaranty Company	+ 5.3%

(C) Health Insurance Rates: Continued quantum leaps in health care costs made corresponding increases in health insurance rates necessary.

Changes in health care components of the CPI are a useful yardstick; a comparison of December 1982 with December 1981 shows the following increases:

Physicians' Services	+ 7.5%
Medical Care Commodities	+ 9.6%
Hospital Room	+13.3%
Hospital Service Charges	+12.0%

Major rate increases are as follows:

Company	Rate Increase
Blue Cross-Blue Shield Of Southern WV, Inc. (Charleston) Group Conversion & Direct Pay	+34.97%
Morgantown Hospital Service, Inc. (Morgantown) Medicare Supplement Rate Increase	+81.2%

Company	Rate Increase
Blue Cross-Blue Shield of Southern WV, Inc. (Charleston) Direct Pay & Group Conversion	+39.19%
Morgantown Hospital Service, Inc. (Morgantown) Hospital Service, Inc. & Morgantown Medical-Surgical Service	+33.62%
Blue Cross-Blue Shield of West Central WV, Inc. (Parkersburg) Medicare Supplement	+12.51%
Blue Cross-Blue Shield of Southern WV, Inc. (Charleston) Merit Rating Formula	+50%

(D) Other Filings

(1) Disapproved a +1% increase for American Bankers Insurance Company's recreational vehicle program.

(2) Disapproved a +31.6% increase for American Bankers Insurance Company's mobilehomeowners program.

(3) Approved Allstate Insurance Company's homeowners manual of rules and rates for +17.1%.

(4) Approved Allstate Indemnity Company's homeowners rules for +18.8%.

(5) Approved Nationwide Mutual Fire Insurance Company's homeowners rate revision for +6.9%.

(6) Approved United States Fidelity & Guaranty Company's homeowners rates and rules for +5.3%.

(7) Disapproved a +41.8% increase for Automobile Insurance Plan of West Virginia, auto insurance plan proposed private passenger liability, medical pay and physical damage rate revision.

Auditing and Stamping

Every insurer writing fire insurance in the State is required by Section 33-17-10 of the West Virginia Code to maintain, or be a member or subscriber of, an auditing and stamping office, which reviews each fire policy for rate accuracy. Any errors uncorrected after sixty days must be submitted to the Insurance Commissioner. During 1982, a total of 7 were reported by the Insurance Services Office, the only auditing and stamping office which reported any uncorrected errors. This compares with 20 for 1981 and 18 for 1980.

The following is a summary of uncorrected error violations, by company, in 1982:

Company	Number
Allstate Insurance Company	1
Camden Fire Insurance Association	1
Continental Casualty Company	1
United States Fidelity & Guaranty Company	4

All errors were corrected after this Division corresponded with the companies.

Rating Organizations

Section 33-20-4(e) of the West Virginia Code provides that "An insurer may satisfy its obligation to make filings by becoming a member of, or a subscriber to, a licensed rating organization which makes such filings..."

During 1982, three requests were filed for renewal of a rating organization license; these were reviewed and approved, pursuant to Section 33-20-6 of the West Virginia Code.

The following is a list of currently licensed rating organizations, with the expiration date of each license:

Number	Name	Expiration Date
1	American Association of Insurance Services	10-01-86
2	Automobile Insurance Plans Service Office	12-31-84
3	Crop-Hail Insurance Actuarial Association	10-10-84
4	Factory Mutual Service Bureau	01-10-84
5	Insurance Services Office	04-30-86

EXCESS LINES

(A) Section 33-12-10 of the West Virginia Code permits a licensed excess line broker to procure insurance from an unlicensed insurance company when it cannot, after diligent effort, be procured from any licensed company.

Following is a comparison of 1981 and 1982 excess lines statistics:

	Calendar 1981	Calendar 1982	Percent Change
Total Number of Brokers	53	57	+ 7.5%
Number of Active Brokers	45	43	- 4.4%
Written Premiums	$8,607,692.66	$6,505,044.32	- 24.4%
Total Tax Liability	$155,416.65	$344,558.74	+121.7%
Number of Policy Affidavits	4000	3691	- 7.7%

During 1981, the tax liability was 2%. Beginning January 1, 1982 the tax liability increased to 6%.

In 1982, this Department confirmed that $6,505,044.32 of written premiums were placed through the excess line markets in West Virginia by 43 of the 57 licensed excess line brokers. The total excess line tax liability for 1982 was $344,558.74. We received 3,691 excess line policy affidavits in 1982 as compared to 4,000 received in 1981.

The above figures represent the following percentage changes in 1982 totals compared with the 1981 totals: total number of brokers increased +7.5%; total number of active brokers decreased -4.4%; written premiums decreased -24.4%; total tax liability increased +121.7%; and the number of policy affidavits decreased -7.7%.

A review of the 1982 Annual Statements showed $6,505,044.32 written premiums and $677,042.42 return premiums, with a total net premiums of $5,828,001.90.

CONSUMER SERVICE DIVISION

PURPOSE

The Consumer Service Division is comprised of Consumer Complaints and Agents Licensing. In addition to the Director of the Division, six (6) technical (5 in Complaints; 1 in Agents) and four (4) clerical (2 in Complaints; 2 in Agents) are employed in the division.

Consumer Complaints Section is responsible for the review of the facts surrounding each complaint received against an insurance company or an agent. It is the Division's objective to make certain the complainants are advised of and understand the handling of their claims and other insurance problems. The aim of the Division is to protect the citizens of West Virginia by attempting to ensure that all complaints are equitably resolved in a prompt and professional manner and in accordance with the West Virginia Insurance Laws.

The Agents Licensing Section has the supervision and control over the processing of application's for insurance licenses, preparing and administering the examinations, and the issuance of licenses to qualified agents. All agents licenses are renewed on a yearly basis.

GENERAL ACTIVITIES

Consumer Complaints Section

Complaint files are established through receipt of written inquires and personal visits to the office from consumers and insurance industry, as well. A total of 3,341 written inquiries were made to the division in 1982 with telephone activity accounting for 15,119 calls. Approximately 43% of the telephone inquires were received on the "Toll-Free" line which has proven to be an invaluable service to the citizens of West Virginia.

Consumer awareness continues to be a top priority issue within this section of the division. Through the efforts of the following activities, we have been able to relay a better understanding of matters of insurance to the citizens of West Virginia:

Senior Citizen Seminars - Consumer Service Representatives visited twenty-eight (28) pre-scheduled and pre-publicized locations throughout the state to discuss health insurance coverages, medicare supplements, and any additional insurance problems. The total attendance of 1,509 is a 200%+ increase over the number of Seniors contacted in these seminars in 1981. The locations this year were as follows:

Berkeley Springs
Buckhannon
Charleston (3)
Clarksburg
Elizabeth
Elkins
Franklin
Grafton
Hometown
Hurricane
Marlinton
Morgantown
New Cumberland
Parsons
Paw Paw
Petersburg
Philippi
Princeton
Ripley
Thomas
Vienna
Webster Springs
West Union

Media Releases - Complaint ratios were compiled and released for media distribution for the top 25 writers of automobile and homeowners insurance in West Virginia. The figures were based on the number of written complaints received by the department per 1,000 policies in force during calendar years 1978, 1979, and 1980. (Charts are shows at the end of this report)

Automobile and homeowner premium rate comparison lists for thirty (30) insurers were made available to the public also. Given specific facts for each type of coverage, annual rates were computed for five selected cities in West Virginia. These comparisons and ratios are compiled and released in order to serve as a guide to both the consumers and the insurance industry.

An additional press release served to inform consumers that West Virginia Insurance Laws mandate that an insurance company cannot non-renew an automobile policy which has been in effect two consecutive years or longer except for certain reasons stated in the law.

Two 30 minute discussions involving medicare supplements and duplicate coverages purchased by Senior Citizens were video taped and aired on public television.

Publications - In 1982, this division published a "Consumers Guide to Homeowners Insurance" which serves to explain how homeowners insurance works and explains the coverages and protection it provides.

The U. S. Department of Health and Human Services, in conjunction with the National Association of Insurance Commissioners, has made available a brochure entitled "Guide to Health Insurance for People with Medicare" which we use extensively in connection with the seminars as well as the day to day contacts with Senior Citizens.

All publications are available to individuals or groups on request.

Training Sessions - This department recognizes that there are numerous agencies on the federal, state, and local level which come in direct contact with the public. We, therefore, willingly participate in various workshops, conferences, committees, etc., which focus on potential problems and the possible solution to these problems for individuals who work with the public. Participation this year included several workshops sponsored by the West Virginia Commission on Aging; Medi-Gap Conferences sponsored by U. S. Department of Health and Human Services; particpation in committees involved with the Silver Haired Legislature; attendance at a workshop for agents sponsored by the National Flood Insurance Program; and a Consumer Conference held at the University of Charleston.

Field Investigations & Informal Meetings - In the event consumers' complaints indicate a pattern of suspicious activity on the part of an agent and/or insurance company, the Consumer Service Representatives are dispatched to investigate the situation by reviewing agents' and/or company's records, interviewing policyholders and other involved parties. In those instances where violations of insurance law are revealed, the files are referred to the Legal Division for further action. Four such investigations were conducted this year. One, in particular, involved a closed claim survey in the offices of an insurance company which revealed repeated violations of various insurance laws.

The division conducted nineteen (19) informal meetings with various agents and insurance companies to discuss potentially serious problems which were affecting policyholders. The majority of these meetings revolved around replacement of insurance coverage and the failure by the agent to complete the proper disclosure forms.

Agents Licensing Section

Overall activity in Agents Licensing saw a substantial increase in all phases of operation. Although this activity is charted elsewhere in this report, a few figures worth highlighting include the fact that a 38% increase was realized in the total number of new licenses issued this year over 1981. The division initiated procedures to tally telephone calls and office visits which totaled 7,530 and 718 respectively.

As a direct result of activities pursued by the Consumer Complaint Section, five insurance agents' licenses were affected as follows:

Revocations - 3
Suspensions - 1
Surrendered - 1

The division has testing facilities statewide for agents' examinations and the schedule is shown below:

City	Address	Date	Time
Charleston	University of Charleston Riggleman Hall - Room 130 2300 MacCorkle Ave., SE	Every Thursday	9:00 AM 1:00 PM
Wheeling	W. Va. Northern Community College, Baltimore & Ohio Bldg.	1st Monday of each month	3:30 PM
Parkersburg	Parkersburg Community College	2nd Tuesday of each month	5:00 PM
Martinsburg	Martinsburg Public Library	2nd Friday of each month	10:00 AM
Beckley	Woodrow Wilson High School Stanaford Road	2nd Saturday of each month	9:00 AM
Morgantown	West Virginia University Room 221, Armstrong Hall	3rd Saturday of each month	9:00 AM
Huntington	Marshall University Room 243, Corbly Hall	4th Tuesday of each month	2:00 PM

Effective April 1, new agents license examinations were utilized at all test locations. The new examinations were generated as a result of recommendations from the Commissioner's Agent Licensing Advisory Committee. This Committee was formed in 1981 and assigned various tasks which would assist the Commissioner in improving the licensing process.

The 1982 Legislature empowered the Insurance Commissioner with the authority to utilize an outside testing service for the purpose of preparing and administering the examinations. In November, a contract was negotiated with Educational Testing Service (ETS) of Princeton, New Jersey, whereby ETS will assume the responsibilities associated with the agents' examination. A target date of March 1983 has been established for implementations of this new service.
